

Vision :

To be recognized by our customers as the leading independent global provider of quality drilling waste management products and services.

Mission :

STEP Oiltools, will work with its partners and other specialty suppliers to develop drilling waste management products, services and practices to ensure drill cuttings and fluids can be effectively and safely contained, handled, treated and disposed with minimal environmental impact, in accordance with all legislative and regulatory requirements and best practices, while meeting and exceeding our clients' expectations.

Chris Pianca

President & Chief Executive Officer
